Convention Centre

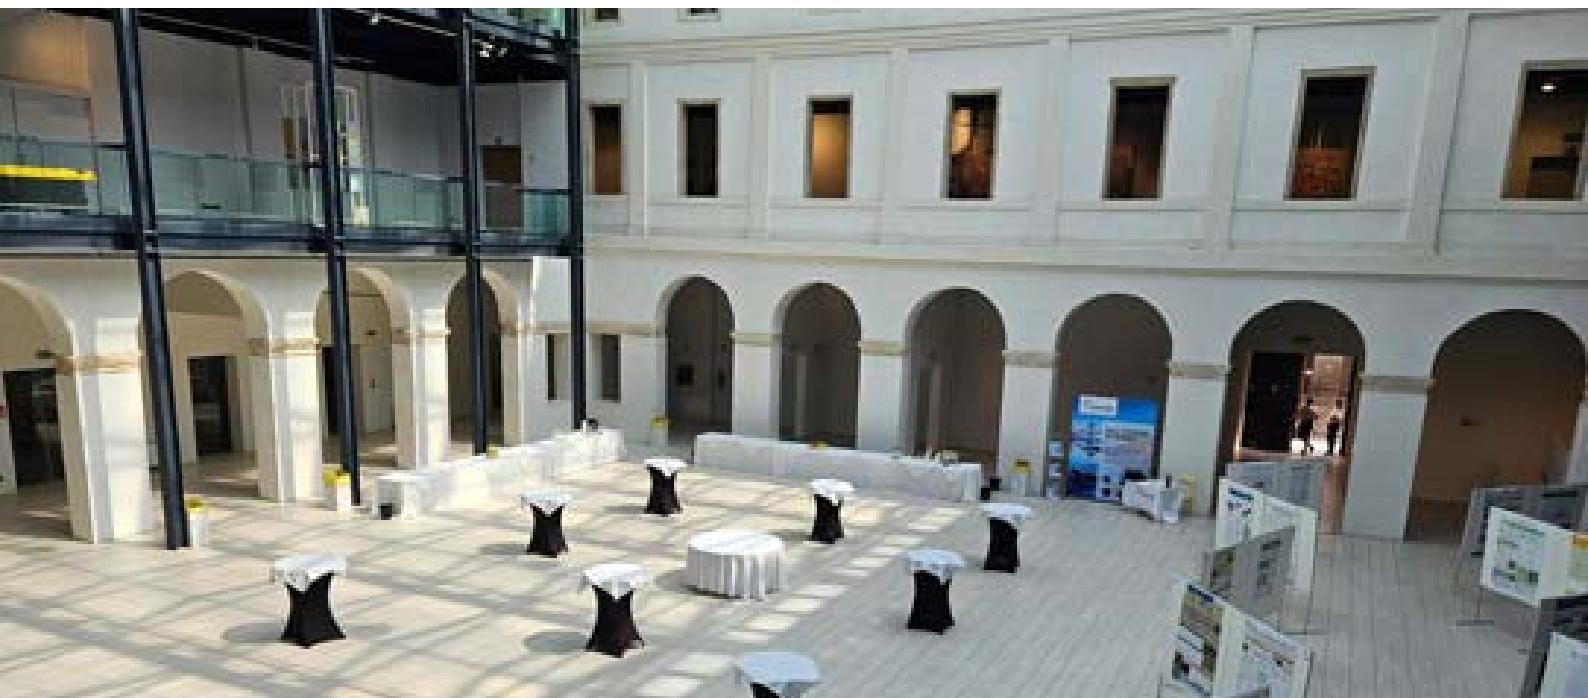

The Convention & Cultural Centre San Gaetano, a modern conference hub in historic Padua, offers state-of-the-art facilities for global events. With versatile spaces, cutting-edge technology, and a central location, it's ideal for exhibitions and networking. Just steps from Padua's UNESCO sites and 30 minutes from Venice, it combines Italian charm with professional excellence, ensuring a memorable experience for international attendees.

Auditorium

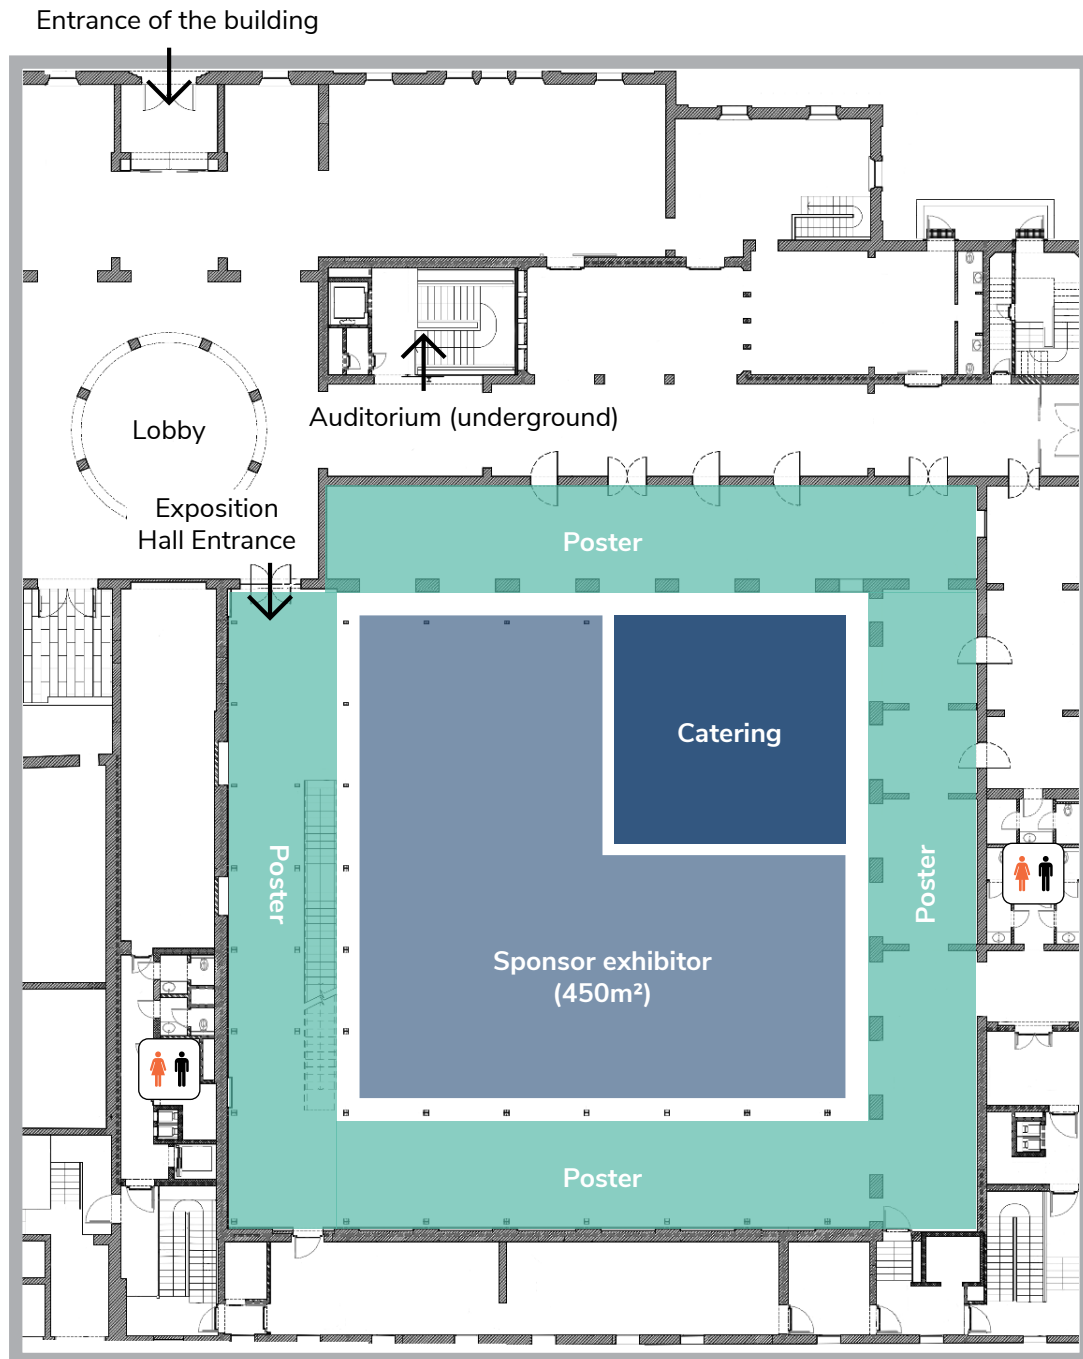

The Auditorium is a multimedia hall with 234 seats. This is where the presentations will take place during the conference.

Agorà

Agorà is a covered multifunctional square that also serves as a social gathering place, often referred to as the city's "living room". This square will host the poster sessions, coffee breaks, lunches, and sponsor booths.
